MEMORANDUM FOR: Assistant Chief of Staff, G-2
Department of the Army

SUBJECT: Release of information based on
Special Estimate 38

REFERENCE: Memorandum from A.C. of S., G-2,
subject as above, undated (copy received
11 December 1953)

Pursuant to your request contained in paragraph 5 of referenced memorandum the Central Intelligence Agency concurs in the release of the unclassified statement transmitted as enclosure 1 to your memorandum, provided that the third word in the third sentence ("exclusively") is deleted. This deletion, in the view of those who worked on SE-38, is required ~~because~~ as the text of SE-38 did not state or infer that all of the 1,000 transmitters were being used for jamming to the exclusion of other uses.
